PROJECTS

CSE Learning Hub

Our platform is designed to provide valuable resources for CS/IT degree students, including access to GTU previous years paper and DE reports. We understand that this material can be incredibly helpful in furthering your education, and we are here to make that process as seamless as possible.

Grocery Application

Discover the future of grocery shopping with our innovative Grocery App – a convenient, time-saving, and user-friendly solution for all your daily needs. Experience seamless browsing, personalized recommendations, and effortless ordering, all at your fingertips.

Social Media Monitoring

I developed this Social Media Monitoring application for Ahmedabad Police - Cyber Crime Department In this application data stored of person and information available whenever you needed. I also got **Appreciation Letter by Deputy Commissioner of Police,** Cyber Crime Ahmedabad City.
